

SPECIFICATION SHEET

Smart LED Light Bulb

Model: RA19RGBTW

Specifications

Wattage9W
Incandescent Equivalent Wattage60W
Voltage120V
Brightness600 lumens
Rated Lifetime25,000 hours
Color Temperature2200K-6500K
Light Color CategoryRGB & Traditional
Color Rendering Index (CRI)>80

Physical Characteristics

Color DesignationRGB (2200K-6500K)
Shape CodeA19
BaseE26
Overall Length4.38"

Compatibility

2.4 GHz WiFi Connection Only
Alexa and Google Assistant Voice Control Compatible
Control through TuyaSmart Mobile Application

Limited Warranty

This lamp is warranted to be free from defects in material and workmanship for 5 years (based on using 3 hours per day).
